Dear Benefit Options Member:

The State of Arizona offers a comprehensive employee benefits package through the Arizona Benefit Options program. The program includes medical, dental, vision, short- and long-term disability, life insurance and dependent life insurance. We are proud to offer the program to employees this year without any additional cost for your premium contribution.

Employees may make changes to their selected options on an annual basis during Open Enrollment. This year, Open Enrollment begins August 13, 2007, and ends on September 10, 2007. The effective date for all changes will be the beginning of the new plan year, October 1, 2007.

There are numerous changes to our Benefit program this year, which are detailed in the following pages. The changes include a new coverage category which allows an employee plus spouse or employee plus child to pay less than the family premium amount. We hope this will be an attractive alternative for married couples and one parent families. Additionally, there are several benefit changes: coverage for smoking/tobacco cessation aids; substance abuse residential treatment; annual mammograms for women 40 to 49 years of age; an increase in the annual physical examination limit; and some increases to co-pays for non-routine (specialty and emergency) treatment. I urge you to read this booklet carefully to gain an understanding of these changes.

This year the Benefit Options program is conducting a **Positive Open Enrollment**. This means that **all employees must re-enroll** in the insurance programs they wish to continue. Re-enrollment is easy through your applicable, web-based employee information system. Instructions for re-enrollment are included in this packet.

If you have questions about the programs, you may contact the carriers, your agency benefits liaison, or the Benefit Services Division by telephone or through the website [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov). You may also opt to attend a Benefits Fair; see the schedule to find one near you. Benefits representatives will be available to answer your questions at these open-house sessions.

We are proud that state government continues to support our self-insurance plan and assume a significant portion of the premium costs. To maintain a viable program and continue to offer State employees a comprehensive benefits package, Benefit Options reserves the right to make periodic changes to the Plan. As noted earlier, changes for the upcoming plan year are detailed in this booklet. For a full report on how Benefit Options manages the self insurance trust, I encourage you to review the annual report at [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov). Choose the "News and Events" section on the opening screen and select 2006 Benefit Options Annual Report.

Sincerely,

A handwritten signature in black ink, appearing to read "Wm Bell".

Director

The Benefit Options Guide is designed to provide an overview of the Benefit Options Program and the benefits offered through the State of Arizona. The actual benefits available to you and the descriptions of these benefits are governed, in all cases, by the relevant Plan Descriptions and contracts. The State of Arizona reserves the right to modify, change, revise, amend or terminate these benefit plans at anytime.

# WHAT'S NEW FOR PLAN YEAR 2007-2008

There are numerous changes to our Benefit program this year. This is a summary of the changes for our Plan effective October 1, 2007:

## **Eligibility Change:**

One of the most important changes this year is the addition of a new category for “Employee + one dependent.” This category or tier of coverage is intended to aid those who formerly had to enroll in the “Family” tier. Examples of persons eligible are: employee and spouse or employee and one child. This tier is not available to unmarried couples or domestic partners. We will request proof of the relationship between those applying for this tier unless we already have the evidence in our files. “Dependent” is defined in the Benefits Enrollment Guide, which is available at [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov).

## **Plan Design Changes:**

**Smoking/Tobacco Cessation Aids:** To assist members with their efforts to quit smoking, the plan will now reimburse members for smoking/tobacco cessation aids (nicotine patch, nicotine gum, etc.) up to a cost of \$500 per lifetime. There are numerous resources available to assist those who wish to quit tobacco use. These resources include the Arizona Department of Health Services Tobacco Education and Prevention Program (602- 364-0824), ASH program (1-800-556-6222) and the member’s County Health Department.

**Voluntary and court ordered substance abuse residential treatment:** Previously, only hospitalizations for those with chemical and alcohol dependency were covered. Studies demonstrate that residential treatment allows for better treatment and a better success rate. Current costs for acute hospital treatment run over \$14,000 per stay, while residential treatment is less than half that cost. Our goal is to increase the likelihood of success for our members while reducing costs.

**Encouraged use of generic medications:** Physicians have the option of approving the “generic substitution” on prescriptions. When there is a generic available and the member insists the prescription be dispensed as written (rejecting the generic), the pharmacy will ask the member to pay the difference between the generic version and the brand version of the named drug.

This policy change will require more members to choose generic drugs. If there is a medical reason for the brand name drug, the physician should not approve the “generic substitution” option. Accordingly, the member will not be charged the difference if the physician designates “no substitution.”

**Increase the annual physical examination limit from \$250 to \$1500:** The prior limit was not adequate to cover all lab and diagnostic testing. If these preventative services (yearly physical) totaled more than \$250, members were asked to pay the overage.

This change does not change the fee schedule for physicians and laboratories. It is intended to encourage thorough examinations to detect illness or serious conditions earlier.

**Approve mammograms annually for women 40-49 years of age:** This change models the recommendations from the American Cancer Society. Women 40 years and older are encouraged to receive regular annual screenings.

**Increase Emergency Room Co-pays from \$75 to \$125 per visit:** In 2006, Plan members visited emergency rooms over 25,000 times. Many of these services could have been safely provided at an urgent care facility or a physician's office. Waits for non-emergent care at emergency rooms are often three and four times the wait at urgent care centers.

All plans have arrangements with urgent care centers and co-pays for those visits remain at \$20. Members can call their plan Nurseline or help number for assistance in deciding whether to seek emergency or urgent care.

Seek emergency care if a life is in jeopardy or permanent loss is imminent.

**Raise specialist co-pays from \$10 to \$20:** Many patients seek specialty care when primary care would suffice. When routine conditions are the cause of the visit, specialists generally cost the plan much more than primary care physicians.

Primary care physicians include: general medicine, internal medicine, family medicine, and OB. We encourage members to carefully consider which type of physician is needed before making appointments. Plan Nurseline or triage staff may assist members who are unsure about which level of care to seek.

# ELIGIBILITY

University employees regularly scheduled to work 20 hours or more per week for six months or longer (except those listed below as ineligible) and their qualified dependents may participate in the Benefit Options and University Benefits Programs, provided they comply with the contractual requirements of their selected plans.

## ***Ineligible Employees***

- Employees who work fewer than 20 hours per week
- Employees in seasonal, temporary or emergency positions
- Employees in university graduate assistant/associate positions
- Patients or inmates employed in State institutions
- Non-State employee officers and enlisted personnel of the National Guard of Arizona
- Employees in positions established for rehabilitation purposes
- Student and work study employees

## ***Eligible Dependents***

At Open Enrollment you may add or remove the following dependents to your plans, however, proper documentation may be required.

- Your legal spouse
- Natural, adopted and/or stepchildren unmarried and under age 19, or under 25 if a full-time student at an accredited educational institution
- Minors under the age of 19 for whom the employee-member has court-ordered guardianship
- Foster children under the age of 19
- Children placed in the employee's home by court order pending adoption
- Natural, adopted and/or stepchildren who were disabled prior to age 19

*Please note: If your dependent child is approaching age 19 and is disabled, application for such continuation of dependent status must be made within 31 days of the child's 19th birthday. You will need to provide verification that your dependent child has a qualifying permanent disability, in accordance with Social Security Administration guidelines, that occurred prior to his or her 19th birthday.*

## ***Dependent Documentation Requirements***

If you are enrolling a spouse or dependent whose last name is different from your own, the dependent's coverage will not be processed until supporting documentation such as a marriage license for a spouse or a birth certificate or court order for dependents, is provided to your Human Resources Office. If your dependent is a full-time student over the age of 19, your insurance carrier will request a copy of the dependent's class schedule.

## ***Qualified Medical Child Support Order (QMCSO)***

You may not terminate coverage for a dependent covered by a QMCSO.

### ***If You and Your Spouse are State Employees***

If both you and your spouse are benefits-eligible State of Arizona or university employees you cannot carry coverage under your name with the State and also be covered under your spouse through the State. Under no circumstances may an employee elect dual coverage.

## **OTHER IMPORTANT INFORMATION**

### ***ID Cards***

Typically, ID cards will arrive seven to fourteen business days after your benefits become effective on October 1, 2007. ID cards will be sent separately and are sent directly from the vendor to your home address.

- ID cards for your medical plan will be issued.
- If you enroll or change Dental Plans new ID cards will be issued.
- If you are newly enrolled in Vision coverage new ID cards will be issued.
- Contact the vendor directly if you do not receive your cards or if you need additional or replacement cards.
- UnitedHealthcare and Avesis allow members to print temporary ID cards from their website.
- BCBS (NAU only) PPO issues ID cards automatically upon enrollment. You may request additional ID cards from BlueCross BlueShield of Arizona's members Website, BlueNet at [www.bcbsaz.com](http://www.bcbsaz.com).

### ***Transition of Care Information***

If you are a new employee and/or changing from Arizona Foundation, Beech Street, RAN/AMN, or Schaller Anderson to UnitedHealthcare (or from UnitedHealthcare), you may continue an active course of treatment with your health care provider and receive in-network benefits during the pre-approved transition period, if one of the following applies:

1. You have a life threatening disease or condition;
2. If you have been receiving care, and a continued course of covered treatment is Medically Necessary, you may be eligible to receive "transitional care" from the non-Participating Provider;
3. You have entered the third trimester of pregnancy on the effective date of enrollment; or
4. If you are in your second trimester of pregnancy and your doctor agrees to accept our reimbursement rate and to abide by the Plan's policies and procedures and quality assurance requirements.

There may additional circumstances where continued care by a provider no longer participating in the network will not be available, such as when the provider loses his license to practice or retires.

You may obtain a copy of the Transition of Care form at [www.benefitoptions.gov](http://www.benefitoptions.gov).

# MEDICAL PLAN INFORMATION

## **What plans are available for me to choose from?**

There are two types of medical plans offered for university employees. They are the Exclusive Provider Organization (EPO) and the Preferred Provider Organization (PPO).

If you choose an EPO you must obtain services from a contracted provider in your network and your cost is a minimal co-pay. The EPO plans are:

- RAN+AMN
- Schaller Anderson Healthcare
- UnitedHealthcare

If you choose a PPO, it allows in-network and out-of-network treatment. If you obtain treatment out-of-your network, you will need to meet a plan year deductible and pay a percentage of all covered services. The PPO plans are:

- Arizona Foundation
- UnitedHealthcare

# PHARMACY BENEFIT INFORMATION

## **If I change my medical plan, will my pharmacy benefit change? Or, is there a separate enrollment process for the pharmacy benefit?**

If you elect any Benefit Options medical plan, Walgreens Health Initiatives (WHI) will be the network you use for pharmacy benefits. Enrollment is automatic when you enroll in a medical plan, and there is no separate cost.

## **How does the plan work?**

The WHI network consists of more than 62,000 participating chain and independent pharmacies nationwide, with 1,000 member pharmacies in Arizona. All prescriptions must be filled at a network pharmacy or through the mail order service. The cost of prescriptions filled out-of-network will not be reimbursed. To find a pharmacy near your home, work address, out-of-town vacation address, or your dependent student's out-of-state address, refer to [www.mywhi.com](http://www.mywhi.com).

Multilingual customer service representatives are available 24 hours a day, 7 days a week at 1.866.722.2141 to assist you.

The WHI plan has a three-tier formulary; the cost for up to a 30-day supply of medication bought at a retail pharmacy is \$10 for a generic drug, \$20 for a preferred (formulary) drug, and \$40 for a non-preferred (non-formulary) drug. You can find information on WHI's formulary and look up the cost for specific drugs at [www.mywhi.com](http://www.mywhi.com).

The Walgreens Health Initiatives Preferred Medication List (PML), also known as a formulary, is a list of medications that will allow you to maximize the value of your prescription benefit. These generic and brand name medications, chosen by a committee of doctors and pharmacists, are available at a lower cost than their more expensive brand-name counterparts. The PML is updated quarterly and as needed throughout the year to add significant new medications as these become available.

Medications that no longer offer the best therapeutic value for the plan are deleted from the PML once a year, and a letter is sent to any member affected by the change. To see what medications are on the PML, log on to [www.mywhi.com](http://www.mywhi.com) or contact the WHI Customer Care Center to have a copy sent to you. Sharing this information with your doctor helps ensure you are getting the medications you need which saves money for you and your plan.

## **What is the "mail order service" and how do I take advantage of it?**

A convenient and less expensive mail order service is available for employees who require medications for on-going health conditions, or who will be in an area with no participating retail pharmacy for an extended period of time. Here are a few guidelines and benefits when using the mail order service:

- You must submit a written 90-day prescription from your physician for any new mail order drug.
- You may request up to a 90-day supply of medication for two co-pays.
- You may fill a 12 month supply of medication with prior authorization.
- You may pay by check or charge your co-pay to a Visa, MasterCard, American Express,

or Discover account.

- You may register your email address to receive information on your orders.
- You can order refills online at [www.mywhi.com](http://www.mywhi.com) or via phone at 1.866.722.2125.
- One-on-one consultations with a licensed pharmacist are also available at this number.

### **Clinical Prior Authorization**

Prescriptions for certain medications or circumstances require clinical approval before they can be filled, even with a valid prescription. Prescriptions may be limited to quantity, frequency, dosage, or may have age restrictions. The authorization process may be initiated by you, your local pharmacy, or your physician by calling WHI at 1.877.665.6609, Monday through Friday, 8:00 a.m. to 8:00 p.m.

### **Specialty Pharmacy Program**

Certain medications used for treating chronic or complex health conditions are handled through the Walgreens Specialty Pharmacy. This program assists you with monitoring your medication needs for certain conditions and by providing patient education. The Specialty Pharmacy Program includes monitoring of specific injectable drugs and other therapies requiring complex administration methods, special storage, handling, and delivery. Specialty medications are limited to a 30-day supply and may be obtained only at a Walgreens retail pharmacy or via the mail order service. Call Walgreens Specialty Pharmacy at 1.888.782.8443 for further information on this program.

A Specialty Care Representative may contact you to facilitate your enrollment in the WHI Specialty Pharmacy Program. Trained Specialty Care pharmacy staff are available 24 hours a day, 7 days a week, to assist you. You may also enroll directly into the program by calling 1.888.782.8443.

### **Non-Covered Drugs**

Certain medications are not covered as part of the Benefit Options plan. If you find such a drug has been prescribed for you, discuss an alternative treatment with your doctor.

### **NAU Only BlueCross BlueShield Pharmacy Plan**

There is no need to elect or enroll in this plan; it is part of your Medical Plan coverage. Prescription drug benefits are available at four cost-sharing levels. The amount you pay depends on the specific drug dispensed by the pharmacy. The pharmacy will charge you a generic (\$7), preferred brand (\$20), non-preferred brand A (\$40) or non-preferred brand B (\$80) co-payment. Drugs may change cost-sharing levels without notice. The BCBSAZ Prescription Medication Guide can be used to determine your co-payment and can be found on the BCBS website at [www.bcbsaz.com/pharmacy](http://www.bcbsaz.com/pharmacy) or call 1.800.345.1985.

A mail order benefit is available through Walgreen's mail order service. You may receive up to a 90-day supply of maintenance prescription for one co-payment. The co-payment for a 90-day mail order supply is the same as the co-payment for a 30-day supply through a pharmacy.

More complete information on your prescription drug benefit can be found in the BCBS benefit plan booklet at [www.hr.nau.edu](http://www.hr.nau.edu). Go to Benefits, Health, BCBS Plan Book.

# DENTAL PLANS INFORMATION

Following is a brief description of the dental plans available through Benefit Options. For a complete listing of covered services for each plan, please refer to the plan description located on the website, [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov). Occasionally, covered services and supplies are subject to change based on the American Dental Association Guidelines. These changes may also result in a change to your co-payment.

## **What plans are available for me to choose from?**

Employees may choose between two plan types. They are the Prepaid and the Preferred Provider Organization (PPO) plans.

### **Prepaid Plans**

- You must see a Participating Dental Provider (PDP) to provide and coordinate all of your dental care
- No annual deductible or maximums
- No claim forms
- No waiting periods
- Pre-existing conditions are covered
- Set co-payments for services provided by your general dentist

### *Employers Dental Services (EDS)*

You must choose one dentist for your family from a network of participating dentists. You can change your dentist at any time by contacting EDS or by using the “change my dentist” function on the website [www.mydentalplan.net](http://www.mydentalplan.net). Members can self refer to Specialists within the network. Specialty services are provided at up to a 25% discount off the Specialist’s normal fees. Separate lab fees apply to some services as indicated in the schedule of benefits.

### *Assurant Employee Benefits*

Each family member can choose a different dentist. You can self refer to a Specialty Benefit Amendment (SBA) Specialist in the Network who accepts a co-pay for most common procedures, listed under the SBA. If a procedure is not listed in the SBA co-pay schedule or the Specialist does not participate in the SBA, you will receive a discount off the Specialist’s normal retail charges. This discount also includes Orthodontic Services.

**Indemnity/PPO Plans**

- You may see ANY licensed dentist anywhere in the world
- Deductible and/or out-of-pocket payments apply
- You have a maximum benefit of \$2,000 per person per plan year for dental services
- There is a maximum lifetime benefit of \$1,500 per person for orthodontia
- You may need to submit a claim form for eligible expenses to be paid
- Benefits may be based on reasonable and customary charges

*Delta Dental*

Over 80 percent of Arizona's licensed dentists participate in the Delta Dental Plan and agree to accept Delta's allowable fee as payment in full after any deductibles and/or co-payments are met. Amounts billed by network providers in excess of the allowable fee will not be billed to the patient. If you choose to see a non-participating dentist, Delta will still provide benefits, although typically at reduced levels.

*MetLife Dental*

MetLife participating dental providers accept negotiated fees as payment in full after your deductibles and co-payments are met. These fees are typically 15 to 30 percent below average rates. Non-covered services provided by a participating dentist are also charged at a lower rate. Covered expenses from a non-participating dentist are paid according to established reasonable and customary charges.

# VISION PLAN INFORMATION

Coverage for vision examinations and corrective eyewear is available through Avesis, Incorporated. Employees are responsible for the full premium cost of this voluntary plan for themselves and their dependents.

You may receive services from either a participating or a non-participating provider *once per plan year*. Exceptions are the LASIK benefit which is available one time only and only with a participating LASIK center, and additional eyewear benefit which you may use as many times as you wish with a discount within a participating provider's office

## Participating Provider

To find a participating provider, either go online to [www.avesis.com](http://www.avesis.com) or call Avesis customer service at 1.800.828.9341. Then call the provider and identify yourself as an Avesis member employed by the State of Arizona and schedule your appointment. You can choose to receive your services from a participating optometrist, ophthalmologist or selected retail chain stores.

Participating Provider Fee Schedule	Co-pay	Allowance Given to Employee
1) Vision examination and <b>one</b> of the following:	\$10	
a) Single, bifocal, trifocal, or lenticular lenses and frame		\$100 - \$150 allowance
b) Contact Lens*		\$130 allowance
c) LASIK Surgery		\$150 allowance
2) Options (E.g. Progressive lens, tinting, coatings, transitional lens)		20% discount from provider's fee

\* Contact lenses would be covered in full if considered medically necessary.

## Non-participating Provider

If services are received from a non-participating provider, you will pay the provider at the time of service and submit a claim to Avesis for reimbursement. The claim must be filed within three months from the date of service and include your name, member ID number and mailing address, the patient's name and date of birth, the group name and number, and an itemized statement of services. An out-of-network reimbursement form is available by visiting the Avesis website at [www.avesis.com](http://www.avesis.com).

Non-Participating Provider Fee Schedule	Employee is Reimbursed
Vision Examination	Up to \$50
Single Vision Lenses	Up to \$30
Bifocal Lenses	Up to \$45
Trifocal Lenses	Up to \$55
Lenticular Lenses	Up to \$110
Progressive Lenses	Up to \$45
Frames	Up to \$50
Options (e.g. tinting, coatings)	No reimbursement
Contact Lens Benefit*	
Elective	\$150
Medically Necessary	\$300
LASIK Surgery	Not Covered

\*Member may choose to receive one of the following within their plan period: 1) spectacle lenses and a frame, OR the contact lens benefit. The Contact Lens Benefit takes the place of the exam, lenses and frame within that plan period.

This is a brief description of your voluntary vision care plan available through Benefit Options. For a complete listing of covered services for this plan, please refer to the plan description located on the website, [www.Benefitoptions.az.gov](http://www.Benefitoptions.az.gov) or contact Avesis directly at 1.800.828.9341.

### NAU Only

The BCBS plan contains a vision benefit. For more information, please go to <http://hr.nau.edu>, click on Benefits, Health, BCBS Plan Book. You may also contact your NAU Human Resources department.

# LIFE INSURANCE BENEFITS

## STANDARD LIFE INSURANCE

### *Basic Life Insurance and AD&D*

You are automatically covered for \$15,000 of basic life insurance provided by Standard Insurance at no cost to you. An additional \$15,000 for Accidental Death and Dismemberment (AD&D) insurance and a \$15,000 Seat Belt Benefit may also be payable if you die in an automobile accident and are wearing a seat belt. You are automatically covered in these three programs.

### *Supplemental Life Insurance and AD&D*

Supplemental life insurance coverage is available to employees who would like additional life insurance beyond what the State provides. The maximum amount of supplemental life insurance that you can elect through the State's group plan is three times your annual base salary, or \$300,000, whichever is less. Your employee supplemental AD&D coverage is the same as the supplemental life amount that you elect.

When electing or changing supplemental life after the initial offering, you may increase or decrease your supplemental life coverage. You may increase in multiples of \$5,000 up to a maximum \$20,000 per year. You may also decrease your coverage in multiples of \$5,000 or cancel your coverage. Supplemental life coverage above \$35,000 is paid on an after-tax basis, and may be cancelled at any time.

In the event of your death, employee life and AD&D benefits are paid to your designated beneficiary. It is important to keep your beneficiary information current. You may change your beneficiary using the web enrollment system during Open Enrollment. Remember: Adding a beneficiary does not automatically delete a previously designated beneficiary. If you wish to change a previously-designated beneficiary, you must actively do so while enrolling via the website.

### *Dependent Life Insurance*

You may purchase life insurance coverage for your spouse and/or dependents in the amount of \$2,000, \$4,000, \$6,000, \$12,000, or \$15,000. You do not have to elect any Standard Supplemental coverage for yourself in order to choose this dependent plan. Each person will be covered for the amount you choose for a small monthly premium. In the event of a claim, you are automatically the beneficiary.

## **AETNA SUPPLEMENTAL LIFE INSURANCE**

### ***Arizona State University and Arizona Board of Regents***

Aetna coverage is available in increments of one, two, or three times your annual salary (then rounded to up to the next \$1,000) or \$100,000 whichever is less. \$5,000 coverage for your spouse and \$2,500 for each dependent to age 23 is automatically included in this plan. Coverage levels automatically adjust for changes in your age and salary.

During this Open Enrollment you may choose any level of coverage you wish. If you do not currently have an Aetna plan, any level of coverage you chose will require that you complete an Evidence of Insurability Form and your application will be subject to medical underwriting. If you do have an Aetna plan now, you may increase your coverage one level without any underwriting, or more than one level with underwriting.

If underwriting is necessary, you will be sent the Evidence of Insurability Form by the Benefits Office during October. You must complete the form and submit it directly to Aetna; they will notify you and copy ASU with their decision. You will not be charged a premium for your election until the Benefits Office has been notified of your approval.

### ***The University of Arizona***

You pay all premiums for the Aetna life insurance coverage amount that you elect. You may apply for coverage in increments of one, two, or three times your annualized salary rounded up to the nearest \$1,000. The maximum you may apply for is three times your annualized salary or \$300,000, whichever is less. Dependent life insurance coverage for your spouse in the amount of \$5,000 and for your children in the amount of \$5,000 is also available when supplemental coverage is elected. An Accidental Death and Personal Loss double indemnity benefit is provided with employee supplemental life coverage. During your initial new hire/eligibility enrollment or a Qualified Life Event change, you may elect up to the maximum coverage available to you. Thereafter, changes in coverage are restricted to one option level increase at Open Enrollment. Coverage levels automatically adjust for changes in your age and salary.

### ***Northern Arizona University***

You pay all premiums for the Aetna life insurance coverage amount that you elect. You may apply for coverage in increments of one, two or three times your annual salary rounded up to the nearest \$1,000. The maximum you may elect is three times your annual salary or \$150,000, whichever is less. At Open Enrollment, changes and coverage are restricted to one option level increase. Coverage levels automatically adjust for changes to your age and salary. Dependent life insurance coverage is also available when supplemental coverage is elected. Option 1 provides \$10,000 spouse/\$5,000 child(ren) and Option 2 provides \$5,000 spouse / \$2,500 child(ren).

# SHORT TERM DISABILITY (STD) INSURANCE

STD coverage provides replacement income for up to six months if you should become disabled due to a non-work related accident or illness or due to pregnancy. Coverage is available from two companies; you may select one plan and you pay the entire premium on an after-tax basis.

## *Standard Insurance Company*

The Standard STD benefit is up to 66.66% of your base pay with a maximum weekly benefit of \$769.27. There are no pre-existing condition limitations, but you must meet the actively-at-work provision at the time of enrollment.

If you elect Standard STD for the first time during this Open Enrollment, there is no waiting period for an accident related disability, but there is a 60-day waiting period for benefits to begin for either an illness or pregnancy related disability. However, if you were covered by another STD plan for the 12 months prior to October 1, 2007, the 60-day waiting period is reduced to 30 days.

## *UnumProvident*

The UnumProvident plan has a waiting period of 30 days for a disability caused by accident, illness, or pregnancy, unless you are hospitalized as an inpatient for at least 24 hours and then you are paid from the first day of disability. Included in this plan is \$30,000 Accidental Death and Dismemberment coverage.

If you choose UnumProvident STD for the first time during this Open Enrollment, you must meet the actively-at-work provision and there is a six-month pre-existing limitation clause that must be met before a benefit is paid.

You may choose any one of the three benefit options available, however the maximum weekly benefit this plan pays will always be the lesser of:

- 70% of your weekly base pay
- \$ 750 if you elect Option A
- \$1,500 if you elect Option B
- \$2,000 if you elect Option C

If you currently have UnumProvident coverage and increase to a higher Option, there is a six-month waiting period for the difference in benefit.

Example:

- Your salary is \$200,000 and you have Option A. If you became disabled, your benefit would be the lesser of 70% of your weekly salary (\$2,692) or the weekly maximum of Option A (\$750). You would be paid \$750.
- At Open Enrollment, you change to Option C.
- Then, if you became disabled, you would be paid either 70% of your weekly salary (\$2,692) or the weekly maximum of Option C, \$2,000. You would be paid \$2,000.
- Therefore, the difference in benefit is \$1,250 (\$2,000 - \$750). It is this difference that you would not be eligible for in the six months after 10-01-2007.

# EMPLOYEE WELLNESS

The benefits packages offered by all three state universities provide for the fact that you don't check your life at the door when you come to work. Family illnesses, finding care for an aging parent and relationship conflict are examples of how life can occasionally get out of balance with work.

Employee Assistance programs that are confidential and free are available to help employees sort things out, make changes and get referrals as needed. Worksite wellness programs can help employees reduce their risks for health problems and enhance their well-being. Governor Janet Napolitano has made employee wellness a priority for the State of Arizona.

**At Arizona State University**, Health Watch, the ASU Employee Wellness Program is designed to identify and deliver high quality, practical health education programs and screening services to promote and support ASU employees in establishing and maintaining healthy lifestyles. Screening services include cholesterol, diabetes, osteoporosis, skin cancer, thyroid, PSA, and mammography. All screenings include professional consultation and referrals if needed. Classes focus on nutrition, stress management, exercise and a variety of general health education topics. Additional activities include a flu prevention program, weight management program, and smoking cessation program.

The Work/Life Program at ASU is designed to be a strong, supportive culture for employees that is dynamic, flexible and respectful of the whole person. A sense of well-being crosses four domains of employees' lives: physical, mental, spiritual and emotional. When work/life programs can affect several or all of these in a positive manner, they contribute to healthier more productive employees. Program services include credit counseling/money management assistance, housing assistance, pre-paid legal services, and lawyer referral services. Discount coupons and tickets are available for over 50 attractions in Arizona, California, Florida, Texas, Colorado, Pennsylvania, and Virginia. In addition, over 150 businesses representing a wide range of goods and services extend ASU employees discounts.

**At The University of Arizona**, Life & Work Connections is a unique program that integrates Employee Assistance and Worksite Wellness together with Child Care and Family Resources, Elder Care and Life-Cycle Resources, and Work/Life Support. A variety of activities and educational presentations have been developed from a "whole-person, life-cycle" point of view to help employees make small lifestyle changes that increase resiliency and overall health and well-being.

Wellness screenings feature in-depth heart health risk assessment, diabetes, osteoporosis and skin cancer screenings all of which include on-site master's and Ph.D. level consultation and, if needed, referrals. A flu prevention program, weight management, nutrition and fitness consultations, a walking program, and smoking cessation program referrals are included also.

Department specific requests for a range of educational presentations on topics that cover health, family, professional and personal development can also be arranged.

Our services can be viewed at [www.lifework.arizona.edu](http://www.lifework.arizona.edu) and are offered not only to help you cope with emergencies, but also to help you plan for balance in your life and work.

### **At Northern Arizona University**

The mission of the Employee Assistance & Wellness Office (EAW) is to provide opportunities for enhancing individual and organizational well-being to university faculty and staff.

With today's complex lifestyles we all experience difficult times. The EAW office assists employees and their families with personal and professional issues, and helps to enhance overall health and wellness.

A variety of wellness programs and workshops are offered each semester for NAU faculty and staff. Programs may also be coordinated on request from departments and groups.

The following clinical services are provided by EAW:

- Short-term Counseling
- Critical Incident Response
- Information and Referral
- Consultation
- Conflict Management

### **Who may use Employee Assistance & Wellness (EAW)?**

Counseling services may be used by all benefit-eligible employees and their covered family members. All other services (e.g., wellness programs) may be used by all employees and their family members unless otherwise noted.

You can obtain more information about EAW by accessing their website at [www4.nau.edu/eaw/](http://www4.nau.edu/eaw/).

The EAW office is located at 415 South Beaver Street, Flagstaff, AZ 86001. You can contact them by phone at 1.928.523.1552 or by email at [Ask-EAW@nau.edu](mailto:Ask-EAW@nau.edu).
